Excellent location and a very pleasant stay.

An excellent location close to the airport. The rooms are very clean with a hot shower (the only hotel we stayed in with a hot powerful shower). Excellent value for money. The staff are very friendly and accommodating. Overall a very pleasant stay and a hotel I would recommend.

A Gem in Colombo – Unforgettable Stay at White Villa Airport Transit Hotel and Tours

★★★★★ May 3, 2025

From the moment my wife and I landed at Colombo International Airport, we were in exceptional hands. The young and friendly owner of White Villa Airport Transit Hotel, Ravin personally picked us up from our late-night flight, setting the tone for what would become a truly memorable stay.

Our room was exactly as advertised: modern, comfortable, and well-appointed with every amenity we could have hoped for. The charm of White Villa Airport Transit Hotel, however, goes beyond the rooms. The entire hotel is a beautiful blend of Asia meets West; cutting-edge technology meets warm, heartfelt hospitality. It's rare to find a place that makes you feel both pampered and at home.

Amazing experience

Great little hotel

We had a fantastic last stay here before leaving Sri Lanka. We sadly had some sub-standard hotels during our 8 day stay in Sri Lanka, but this was just ideal. Best shower we had all week, toiletries available, nice accommodation and a warm welcome. The breakfast was also lovely. Thank you.
